<p>6.</p>	<p>Report from the Chair, IFLA-RSCAO Sanjay outlined RSCAO work achievements and progress since the Mid-Term Meeting in March 2019. Most of the items were further discussed at the present meetings.</p>	
<p>7.</p>	<p>Action Plan (AP) 2019-2021 7.1. Report from Convener Cendrella Habre as the Convener reported:</p> <ul style="list-style-type: none"> - Both Sanjay Bihani and Cendrella Habre attended the workshop which was held at the Hague in June 2019. - Through a Doodle poll, RSCAO decided on two (2) APs namely open government and capacity building. The maximum number of APs set by IFLA is four (4). An in-depth discussion will be held at the next SC Meeting. - The IFLA Regional Office has their own APs and will liaise with the Convener for this. Report on action plan by Cendrella Habre. <p>7.2. Proposed Action Plans A short meeting was held and attended by Tina Yang, Nor Edzan Che Nasir, Cendrella Habre, Winston Roberts and Jayshree Mamtora to enhance the two (2) APs.</p> <p>Cendrella Habre presented the two (2) APs which she has drafted. The first AP is open government where RSCAO will map open access policies of governments across Asia-Oceania. The second AP is strengthening capacity building within the Asia-Oceania which is in line with SDG3.</p> <p>After much discussion with those in attendance, the following were noted and Cendrella Habre will incorporate the comments in the final AP:</p> <ul style="list-style-type: none"> - Collaboration with HKUL Leadership Institute. - Collaboration with the IT Section. - Usage of FAIFE’s work as base material. - Usage of IFLA’s training materials. - For capacity building, there is a need to breakdown activities for funding proposals, scope, identify partners, be specific about the training programmes. - There is a need to identify the level of development and whether it is leadership or skills development. Different sub-regions would require one or the other. - There is a need to measure immediate impact. - Collaboration with the Copyright & Other Legal Matters Advisory Committee (CLM) on open access. The CLM should take the lead role whereby they will formulate the guidelines and policies. RSCAO will conduct an environmental scanning of open access across Asia-Oceania and feed the information to them. 	

	<p>- For open government, there is a need to identify the type of data to be collected and to avoid sensitive area of government information.</p> <p><u>Action</u> The Strategic Planning Sub-Committee will finalise and complete the necessary documentation. The submission date for this is 15 October 2019.</p>	<p>Cendrella Habre</p>
<p>8.</p>	<p>Report from the Information Coordinator, IFLA-RSCAO Takashi Nagatsuka as the Information Coordinator presented his report. He also thanked everyone who had assisted him during his term.</p> <p>8.1. RSCAO Listserv The current number of RSCAO listserv subscribers is 385. There were 12 new subscribers from 26 February 2019 to 13 August 2019. There were 3 unsubscribes and 3 bounced email addresses were cancelled for the same period.</p> <p>8.2. The meeting for Asia-Oceania will be held in 2020. - the APs for RSCAO should identify critical needs within the region that the SC can work on as a group. - IFLA will have a new website with more functionalities. - new SCs were advised to attend the Engage & Connect Session on Thursday - new officers and the Information Coordinator were advised to attend any of the Capacity Building sessions. <p>Sueli Mara Ferreira thanked RSCAO for supporting her term as Division V Chair and also her election as Governing Board member.</p>	<p>Soh Lin Li</p>
<p>11.</p>	<p>Other Reports 11.1. Division V Survey on “How to get our voices heard at IFLA?” Tina Yang reported that she received 61 responses from Asia-Oceania. The consolidated results from the three (3) Sections in Division V were reported and presented by Sueli Mara Ferreira to IFLA. The results for Asia-Oceania were similar to the Latin America, Caribbean and Africa Sections. It was noted that from next year, IFLA WLIC will live stream more conference sessions and RSCAO need to publicise this to the sub-regions. There was a discussion on splitting Oceania from Asia and having a separate section for the Middle East but the decision lies with IFLA. Additional sub-regions will increase IFLA’s financial commitment. There was also a discussion on how to support developing nations through collaborations with national and international organisations so that no one is left behind.</p> <p>11.2. Division V Satellite Meeting Tina Yang reported that the Meeting was held from 20 to 21 August 2019 in Alexandria, Egypt. RSCAO was represented by three (3) members: Jayshree, Tina and Winston.</p> <p>Winston Roberts proceeded to present his paper titled <i>Uncrossing wires: advocacy to overcome misperceptions of libraries, and the ambiguity of “information”</i>.</p>
