

# 2020-2021 Annual Report

## 1. Welcome

---

**Hello and thank you for submitting your Unit's 2020-2021 Annual Report.**

The report form is slightly updated from the 2019-2020 version, in that it request details on Action Plan activity.

Please plan to have a draft of this report ready to share at the WLIC Business Meeting I, and a printout of the draft to pass on to incoming Officers, so they can use this for their Action Plan discussions and planning at WLIC Business Meeting II.

The final version of the 20-21 Annual Report is due to IFLA HQ, by October 1.

Some information about using this form:

### 1. Save and Continue

If you want to leave the form and come back to complete it later, you can do so by clicking the "Save and Continue" link on the top right hand corner of the form.

A dialogue box will open, prompting you to enter in your email address.

### 4. Projects/Activities

---

#### 2. Focus Area 2

Collection assessment ensures that library collections best meet the needs of current users while keeping within budgetary and space requirements. Our plan is to develop resources and tools to aid in choosing appropriate collection assessment methods, ensuring useful collections for library communities.

#### Project Output

Research and develop a tool that maps collection assessment methods via a matrix that considers many variables (e.g., type of library, type of material, user needs, etc).

#### Output status

Partially complete <50%

#### Will you continue this output into 2021-2022?

Other - Write In: To be determined by ACD, pending Section volunteers to lead/co-lead the action plan.

#### Do you have a URL to this output you can share?

No.

#### Detail, in brief

- literature search/ environmental scan
- develop matrix to serve as basis for online tool

**Key Unit Members who were responsible for the realisation of this output.**

Ann Roll, co-lead

**Project Output**

Develop a beta version of an interactive online tool where choices will point to best methods for a specific situation/environment. Funding or technical support from IFLA will be needed although it is too soon for us at this point to determine requirements or cost.

## 10. Additional Information

---

**Please use this space to provide any additional information you would like to share about your Unit's activities for the year.**

Open Access has such relevance and timeliness that it is the singular focus of the Acquisition and Collection Development Section. To highlight that focus the ACD Open Programme (held on August 18th) was devoted to the topic. Invited speakers presented their perspectives on the impact that the Open Access transformation currently has and will continue to have during the next few years on library collection development and management.

Theme: Power of Transformation: Open Access and Library Collections

- Introduction of the topic and presenters (Lidia Uziel, ACD chair)
- Panel presentations:

Lorcan Dempsey (OCLC): Collection directions under the influence of open

Colleen Campbell (OA2020 Partner Development, MPDL): Breaking down barriers and building an open future

Reggie Raju (University of Cape Town): Collection development in an Open Access era: a disruptive model

Eileen Joy (Punctum Books): Why Infrastructure Matters for Open Access Publishing: The COPIM Project

The Panel presentation was followed by 30-minutes Q&A (Moderator: Lidia Uziel, ACD Chair)
