### **1. Check in/Catch up**

- a. We talked about COVID issues in every country and the possible return to normal activities at work.

### **2. WLIC 2022 overview and updates**

- a. Now we already have the final dates for the WLIC (26-29 July) that will be in presential attendance. So we need to submit a session at WLIC by March 7th.
  - i. It was considered to be held with Ignite talks, Case studies, Solution Room and Presentations
  - ii. There is some concern that speakers won't assist to the congress because of the pandemic situation and countries' restrictions.
  - iii. Ekaterina Shibaeva and Abby Moore will work on a proposal and will share it with the committee.

### **3. Discussion on the feasibility of SLS planning a session**

a. We also know that WLIC Committee first meeting will be held at Dublin and the second one will be virtual. So a census was held in order to check for members' assistance to WLIC.

### **4. Other topics**

a. For each WLIC at Dublin Committee session, we have up to two hours. So we have the option to set it for the business meeting or use it for socializing time.

b. About webinar series, we are waiting to find a place for the Satellite meeting. As soon as we find a place to be held, we will define a date for the next webinar.

**Lindsay Ozburn ended the meeting at 11:05 am MDT.**
