## LAZAREVAC DIGITAL GUIDE

DIGITAL GUIDE – the city on palm of your hand

Our "Digital Guide" can be downloaded from Google Play Store or App Store. It takes 110 MB of memory space and has a built-in augmented reality module. It provides information about four important monuments in Lazarevac, as well as a brief history of the city. In the "Now" section, all the city's structures are briefly described, from healthcare, through sports to cultural institutions in the city, as well as the monumental heritage, which is the focus of this application. This concise and high-quality information can also be downloaded by scanning the QR codes at these 4 locations in the city center. The content is available in Cyrillic, Latin and English, and parts of the content are in audio form for the visually impaired, as well as visual form for the hearing impaired. There are no annual maintenance costs for the application.
