

How did we use the circumstances?

From traditional library to librarians **INSPIRED**
by uncertainty of times

We **ENGAGED**:

- ✿ **high school students:** they were the promoters and designers of the leaflet
- ✿ **travel bloggers:** they made photos and reels and managed social networks
- ✿ **famous actress and singer:** they took part in the opening ceremony and made our project more attractive to the media (television, newspaper, internet portals)

We **ENABLED**:

- ✿ **work of outdoor library** in a tourist and natural environment
- ✿ **library services** in a new, modern and attractive way
- ✿ **easy and fast access** to the information

We **CONNECTED**:

- ✿ **experts** (librarians, teachers, artists, digital creators)
- ✿ **generations** (adults and high school students)
- ✿ **fields** (library and information science, tourism, art, social media)

Newspaper title:
Famous actress and singer
become librarians for a day
