

Travel the World with Inspiring Libraries

10 years of the EIFL Public Library Innovation Award

Public and community libraries using technology creatively to improve people's lives

Brazil – Argentina ‘Lopes Tristão’ Public Library – digital skills to empower women struggling with depression

Cameroon – Cercle de lecture et d’animation culturelle’ (CLAC) – mobile maths and computer coding classes to support children’s education

Colombia – Kankuaka Public Library – raising children’s awareness about the need to protect their mountain ecosystem

Kenya – Meru Public Library – ICT, entrepreneurship and agricultural training for young people

Guatemala – Rija’tzuul Na’ooj Library in San Juan la Laguna – supporting business aspirations of talented women weavers

Croatia – Rijeka City Library – interactive online magazine inspires creativity in young writers and artists

Latvia – Pelči village library – oral history and digital animations stimulate children’s curiosity about the past

Lithuania – Plungė public library – virtual tour of historical site to boost tourism and the local economy

Moldova – Chisinau ‘B. P. Hasdeu’ Municipal Library – for open government; and for dynamic summer learning center in the city park

Philippines – Butuan City Library – computer literacy training and e-government support for overseas workers
