

COHERENCE FLEXIBILITY SCALABILITY

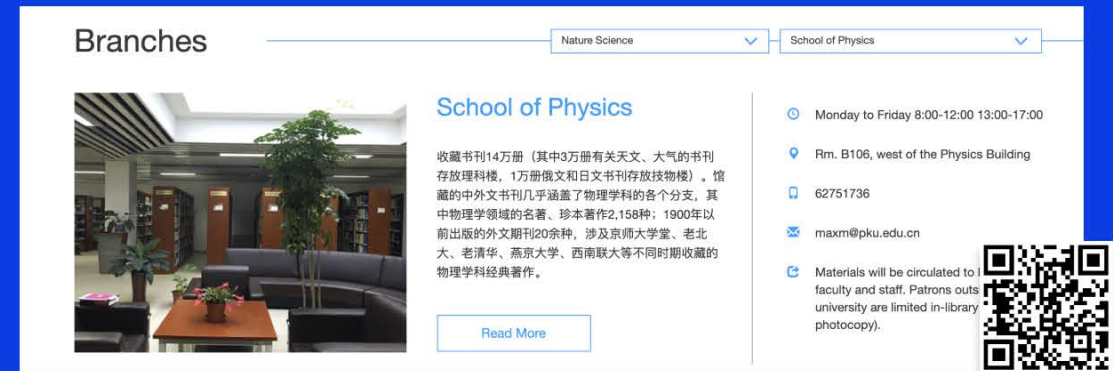

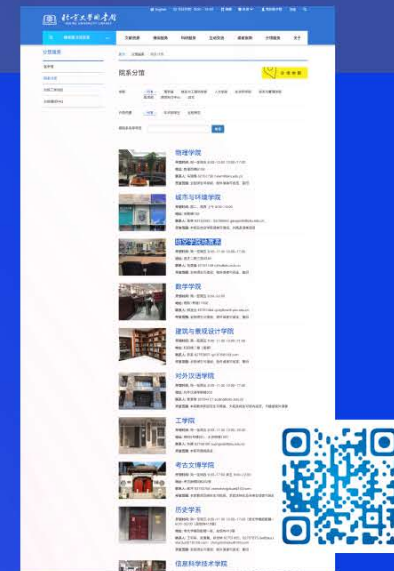

A principled approach to library design framework

YUE WU | HAIYUAN CUI
PEKING UNIVERSITY

COHERENT IDENTITY

Unified visual language & branding across all branch websites and pages

Shared core components for searching, special collections, new arrivals, news, key events

SCALABLE SYSTEM

Pre-defined, templated designs for 80% common use cases

Tiered solutions for departments with varying degree of tech-savviness & resource limits

FLEXIBLE SOLUTIONS

A la carte, lego-like component library for rapid development with little to no design involvement

Supports full customization for interactive systems
