ACTION PLAN and RESOURCE REQUEST FORM for Committee on Standards 2017 - 2019

Action plan 2017 – 2019

Name of Professional Unit: Committee on Standards

Objectives of Professional Unit 2017-19:

1. To ensure clarity in the procedures for the Review Groups for FRBR, ISBD and UNIMARC. This will help to raise their visibility among IFLA Members.
2. Revise the IFLA Standards Manual so that Units have clear guidance on how to produce an IFLA Standard and the audience for the standards understands more about IFLA Standards and how they are produced.
3. Endorse the Review Group action plans so that there is a clearer governance process and so that the plans can be communicated more widely for information to IFLA Members.
4. Review standards submitted by the IFLA professional units and recommend endorsement to the Professional Committee.
5. Liaise with related bodies to ensure IFLA Members are informed as necessary about developments related to library standards, and to inform the external community about IFLA standards as relevant.
6. Prepare WLIC events to ensure IFLA standards are promoted and explained to the IFLA community and other attendees, and that IFLA members have an opportunity to engage.
7. Prepare advice and recommendations for the Governing Board and regularly report on progress.
