Proposal of activities listed below:

Please let me know if there are any additional activities you recommend or any changes to those under consideration

- promote and assess the impact of best practices infographics published in the 2019 - 2020 year by posting them on the RISS web and Facebook pages, capturing analytics, and surveying users. (Goal Year: 2021 - 2022)
- Once the guidelines are published, identify one or more reference staffs that would be willing to use the guide in their work and report back to us the value of the document.
 - Convert the guidelines into another format (e.g. video) (Goal 2021 - 2023)
 - Promote the guidelines by posting on RISS Facebook and web pages
- Host a WLIC conference programme (Goal Year: 2021 - 2022)
