<b>How will you communicate your activities and results?</b>			

Activities will be document in annual report and shared at IFLA WLIC. Milestones and accomplishments will be shared through social media channels and on the DDRS IFLA web page. Committee members will use local networks to engage with experts in the field. Looking at featuring RSCVD in a virtual program or other public outlet to raise awareness

**How will you measure the impact of your activities?**

Success getting funding for RSCVD. Attendance at virtual events. Engagement with ILDS.

**Identify other Unit(s) which may be interested in this Focus Area, or with which you could collaborate on projects/activities.**

Information Technology and Copyright and Other Legal Matters may be interest in helping us with RSCVD. If we are successful in getting funding, we will need to answer technology questions as well as copyright and legal questions as we build out RSCVD.

**Focus Area 2**

Create tools and best practices that aid resource sharing practitioners and facilitate seamless resource sharing across borders

**IFLA Strategic Direction**

1. Connect libraries to resources through tools and coordinated community of volunteers
2. Inspire and Enhance Professional Practice
3. Connect and Empower the Field
4. Optimize our Organization

**Key Initiatives**

Committee members will use local networks to engage with experts in the field. Looking at featuring RSCVD in a virtual program or other public outlet to raise awareness

#### How will you measure the impact of your activities?

The success of RSCVD is clear based on how much it is used. From May 2020 – September 2020, over 4,500 requests were fulfilled through this program. Requests came from libraries in 48 countries and were supplied by volunteers in 11 countries. These numbers indicate demand for this service and impact will be measured by continued use.
