- o Genre/Form Bibliography and Survey

**Activity/Output Category (most closely matched)**

**If you have a new category to add, please contact [professionalsupport@ifla.org](mailto:professionalsupport@ifla.org)**

- o Publication (Report, Best Practices, Book, Journal Article)

**Please provide a brief description of the activity/output:**

- o The Genre/Form Working Group created a bibliography of references and thesauri relating to genre/form access to bibliographic records. The bibliography is an open, cooperative endeavor, with the ability of incorporating contributions from the wider professional community. The bibliography was updated in May 2021, but not yet made public. The working group intends to publish and advertise the bibliography as well as establish mechanisms for ongoing regular additions and enhancements to the bibliography. The working group will also conduct a survey on genre/form application/use, building on a prior one from 2017 to look for trends and possible future actions for the group.

#### **Activity/Output type**

- o Continuation of an ongoing activity

#### **This activity/output is matched most closely with which Key Initiative?**

- o 2.1 Produce, communicate and distribute key resources and materials that inspire the profession

#### **Completion status as of today - Beginning of cycle**

- o Complete & ongoing

#### **Expected completion month**

- o December

#### **Expected completion year**

- o 2023

#### **Names of Standing Committee members who will be working on this activity/output:**

- o Richard Sapone-White and Ricardo Santos will provide leadership for this with other working group members.

#### **Activity/Output Context**

#### **What need is this activity/output filling or what problem will be solved for your sector?**

- o The bibliography was updated in May 2021, but not yet made public; this will ensure its publication and dissemination. The survey will inform the working group on next steps.

#### **Target group(s)**

- o Library Professionals
- o Our Unit's sector
- o Our Unit Standing Committee

#### **What will the outcome for the target group be as a result of the work described?**

- o Gained knowledge/awareness/understanding
- o Increased skills/competences/abilities

#### **How will this activity/outcome move the Unit's sector forward?**

- o The bibliography provides access to research regarding genre/form application and trends. The survey should enable the working group to see if genre/form facets have been adopted in more libraries and what needs they have in adopting such facets.

#### **How will you measure the performance and impact of your work?**

- o Survey
