Lim Kok Eng resigned in Spring 2022. CPDWL announced that we are looking for a colleague from school or public libraries from Latin America or Asia. Unfortunately the number of colleagues who applied was limited and only one colleague was working in the public library field. That's Elena Corradini from Italy who is now SC member until the end of Lim Kok Eng's term in August 2023

Successes/Accomplishments/Achievements

Briefly describe the project, activity, or output you accomplished during the period August 2021 - August 2022

Details

Guidelines for CPD: As the content of the existing Guidelines is still very relevant, there is no need to change them. It was also important to ensure that the value of the translation work of the Guidelines that has already been completed continues to be recognised. The focus is therefore on updating the Guidelines to present the best practices in relation to online learning, as viewed through the lens of the different stakeholder groups (Learner, Employer, Professional Association, LIS Educators and LIS Training Providers). At the moment, an extensive range of national and international resources for virtual CPD practices/strategies are being reviewed. The most relevant of those will be compiled and then added to our guidelines. A poster was presented at WLIC 2022.
