**2.3.1 WLIC Cancellation Follow-up**

The Director, Member Services gave an overview of questions presented by Units in relation to the cancellation of WLIC. Recommendations under each area were proposed and discussed by the Professional Committee. The following resolutions were made:

- **Conference sessions**

**Resolution:** A survey will be sent to Units to determine their plans for 2020 WLIC programming, in relation to both the year's activities and WLIC 2021. Units who wish to change their session topic will be asked submit a new bid following the usual WLIC timeline. New bids will discussed and approved at the December 2020 Professional Committee meeting.

- **Conference programme and timeslots**

**Resolution:** Contingent on the availability and allocation of rooms at the 2021 conference venue, the Professional Committee will proceed with the same programme and timetable developed for 2020. A review of the programme will be made by the Conference Officer after any changes or adjustments are made.

- **Business meetings**

**Resolution:** The Professional Committee asks the Professional Units to hold a virtual meeting with their Standing Committees during July or August to address specifically the year to August 2020 and to plan for the year to August 2021.

- **Officers briefing and division meetings**

**Resolution:** The officer briefings that focus on the governance review will occur via Zoom webinar. Due to the timing of the General Assembly, this briefing will most likely occur during July/August. Due to the spread of time zones, it is requested that these webinars be organized and held by time zone, as opposed to Division.

- **Posters**

It was proposed that the poster presenters who were successfully selected for 2020 be held over for 2021. In early 2021, presenters would be contacted to confirm if they could attend in Rotterdam. If they are unable, the reserve list would be activated and the next in line contacted.

**Resolution:** Due to the timeliness of the poster subjects, it is requested that HQ look into virtual options for posters. These options will be discussed and a decision on poster actions will be taken at the June 2020 Professional Committee meeting.

- **Awards**

Professional Units offering awards related to WLIC are currently making decisions on how to proceed.

- ***ARL Conference Grant***
