

2023-25 Action Plan Contact Chair: Maggie Farrell Division H

#	Output name	Output type	Output description	Projected Completi...	Committee N...
1	Meetings - regular Section meetings	Committee-building	Host regular meetings to strengthen communication and the work of the KM Section. These meetings are in addition to the MidTerm meeting.	2024-09-01 23:37:38	KM (Knowledge Managment)
2	MidTerm Meeting	Mid-term and other event (virtual) (not WLIC)	KM is planning on holding a Mid Term meeting in Summer 2024. This will be a strategic planning meeting in addition to reporting on 2023/24 activities. Since WLIC will not be held in 2024, this meeting will also discuss any planning or activities to be held in conjunction with the President's Meeting in September 2024.	2024-09-01 23:46:48	KM (Knowledge Managment)
3	Perspectives on Global Knowledge Management Training and Education	Professional Development	Assist with ongoing effort to understand current education and how the library profession can strengthen education for incoming professionals and increase professional development for existing professionals		

4	DH/DS Engineering with Artificial Intelligence (AI)	Professional Development	Volunteers will assist with the planning and programming in the development of the DH/DS webinar to be held this year. The webinar or event will focus on the global DH/DS field with the growing trends in the application of AI in the DH/DS fields, involving speakers who have experience and knowledge in software development/research and scholarship and who will present their projects and share experiences of developing and acquiring such skills for DH/DS projects. "Insight into a specific critical element of the global DH/DS field with the growing trends in the application of AI in the DH/DS fields, involving speakers who have experience and knowledge in software development/research and scholarship and who will present their projects and share experiences of developing and acquiring such skills for DH/DS projects."N.B.	2024-08-01 14:16:23	
5	Knowledge Café	Professional Development	Depending on the theme of the President's Meeting, it might be possible to hold a Café in conjunction with the meeting or a general Café in a virtual format	2024-12-31 15:25:23
